

Teens round one kicks off

Under 13s Coaches Match Report

The Under 13s team came together very well for their first match considering half of them hadn't even met each other before the game and quite a few had very little rugby experience. After a sleepy start we rolled over the top of souths reasonably easy with a 38 – 12 victory. Stand out players for the day were Joey and PJ in the forwards and Lyhkan in the Backs. This team will be very hard to beat this year, already showing signs of great team work and commitment.

Next week's game is at 9am in Dalby, we would love to see a big crowd there to cheer on all the teen rugby players

Coach Scott Cosgrove

Under 14s Coaches Match Report

Our Under 14 Dalby boys had limited preparation in the pre-season, and so not surprisingly their first half was a bit scratchy. The heat was intense at times, but great to play on the green paddock at Highfields. At half time, I challenged them saying that they had the chance to make this a defining moment for the season. They took it on board and came back and played some really good rugby in the second half. I was proud of the boys for keeping the Redbacks' score down in the second half. They really scrambled in defence and showed some good Wheatmen spirit in backing their mates. The next few weeks are going to be battle as we just don't have the opportunity to train together as regularly as the Toowoomba teams do, but I see great potential in this team and if we can get some momentum they'll be no stopping them. Teenage training is at 6pm on Wednesday this week.

Coach Andrew Johnston

Under 15s Coaches Match Report

The Under 15s only had 13 players for their first match of the season with a couple of key players out for the weekend unfortunately we lost to USQ quite comfortably. The boys never gave up and had a better second half but we will need all hands on deck if we are to improve this season.
