WHEATMEN MATCH REPORT

Under 6s

The day was a true Toowoomba day beautiful sunshine but a very cold wind. Their first game was against USQ with the kids braving the wind and were able to pull their hands out of their pockets to play a great game. Good work resulted in a try for Tommy Carter, also a very good run by the talented Archie Stevens running from side to side throughout the opposing side resulting in a try.

Game 2 was against the Goondiwindi Emus who proved to be a very strong opposition but we held it together and a great effort was shown by all the kids. Harry Morris had a good run, Wilbur Burton got the ball over the line to score a try and a very good run dodging the opponents resulted in a great try for Flynn Zillman. A good game with good kids.

Will Fay, A/Team Manager
