

Mixed results for Dalby teens

Under 13s Coaches Match Report

Our Under 13s team is really flying and has already set the benchmark for the other teams to follow. On Sunday they walloped the Toowoomba Bears, 74– 0 in an absolute master class. The very steamy conditions didn't slow the boys down at all with our skipper Lyhkan King-Togia leading the way with five tries. All of the forwards worked hard to provide good clean ball for the backs who capitalized wonderfully. We encourage supporters to get down to John Ritter Oval in Dalby and see this awesome team in full flight this Friday night at 6pm when they take on USQ Saints.

Under 14s Coaches Match Report

Under 14s had a bye this week. The Dalby Under 14s will host the USQ Saints this Friday night at 7pm at John Ritter Oval in Dalby.

Under 15s Coaches Match Report

The Under 15s boys did it tough again with low numbers even though quite a few Under 14s boys came along and helped out. It was a tough game against our old foes the Goondiwindi Emus and there was a fair bit of niggles throughout the game. Although our boys kept working hard, Goondiwindi took the win 38 – 12 in the end. Best players for the day were Matt Cuskelly, Will Johnson, Ronan Austin and Will Bailey. This team is not far off the mark and if we can get a few more players available for our big Friday night game against USQ this week (8pm kick off) we will put in an improved showing.
